

Spiritual Gifts, Self-Analysis

Short easy questions to help you discover your Spiritual Gifts Where you can expect to find the most joy for yourself and who's lives you touch.

There are more gifts than outlined here. These are Gifts directed to being a vibrant part of your Church family and community.

Please put a number from 1 to 10 next to each question (10 being the best).

Then look at the overall picture of that gift and your answers and give that Gift a number how you now feel about it. Do that for each Gift and let the Church know so that they can suggest what you can do to help the Church in their objective to bring people to Jesus.

I suggest you pray before answering the questions.

You do not need to be a Christian to take this self-analysis!

Yet to fully find the joy that your Gift can bring you, we plead, accept Jesus now as your personal saviour.

Say this prayer: God, I believe in my heart that "Jesus is Lord" and that He is the Son of God who died for me on the cross, rose from the dead and ascended into Heaven. I confess with my mouth that I am a sinner and need your forgiveness. Thank you for saving me, that I may have eternal life with you in your Kingdom. I pray in the name of Jesus. Amen

Let someone from a Bible believing Church know you said this prayer or contact us to send you steps to take as a new Christian.
