## LIFE DURING THE CORONA VIRUS:

### Our Prayer is:

If you do not attend a Church regularly, we wish that you would go online to listen to a Bible Believing Church in our community. *I am a Gideon; I know and have visited most of the Bible Believing Churches in my area so I can recommend them.*

Please listen to God's word and read His word in the Bible, we are older folks and have witness a lot of people to have seen such wonderful lives come from His word. If the world had more Christians and Christian leaders, it would be a much better place, agree?

***Where do you go for hope and peace? We have hope and peace in Jesus.***

*We want you to find the Love, Joy, and Peace that can only be found in Jesus, and it helps to have encouragement from fellowship with other caring people, and to be in a local Church.*

***Philippian 4:7, And the peace of God which surpasses all understand shall keep your heart.....***

For those of you who do attend Church regularly, please pray that these letters will be the seeds to grow in the hearts of others that will come to one of the Churches.

***May your light shine!***

**Here we have listed the activities of many of the Churches in our community. Some Churches may not have all of them, but you may not need all the activities, visit a Church that fit your needs.**

All the Churches have Sunday worship services. I believe all of them have Bible study groups, for young and adult.

**Men's fellowship groups, women's groups, groups for kids like AWANA or others, youth events, Senior day** once or more a month. Picnics. With the lakes and rivers near us you will find folks to share their place for get-togethers, for fishing, swimming, for tubing down the river.

**Christian Camps: some of the Churches may pay** for some kids to attend a Christian Camp or a portion thereof. Betty and I have worked Camp Shamineau, for over 20 years and have seen wonderful changes for a better life for so many of our youth. Camps are great for adults as well, ask us or call a Christian Camp near you.

**And we do make house calls.** *We would be glad to just talk to you and answer some questions you may have, give you a Bible or other material: like the evidence of Jesus and proof of OT. My wife and I are older folks and have seen and been through some troubles through the years and we do have compassion for others.*

*Still have doubts? Let me send you a pamphlet by Strobel, Also read prophecies that came true in Daniel Chapter 11*

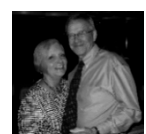

***Would you like us to pray for you, your family or friends?***

*Send us a text us, call or write us, and we will pray for you or anything else you ask.*

***We want to see you in Heaven!***
