## Could you use some Good News to start This year?

**A Gallup poll of 676,000: finds that Americans who are regular Church goers tend to be healthier and more satisfied in life than others.**

**Today as young Americans are declining in going to Church, something else is on the rise in its place – worry, stress, and anger, then the youth are more likely to feel that anxiety in place of Church.**

Keep in mind to send them to a Christian Camp, we are long time witness of God creating clean hearts at Camp!

Our Prayer is:

If you do not attend a Church regularly, we wish that you would find a Bible Believing Church in our community to attend and please if you have children, bring them.

***Where do you go for hope and peace? We have hope and peace in Jesus.***

*We want you to find the Love, Joy, and Peace that can only be found in Jesus, and it helps to have encouragement from fellowship with other caring people, and to a part of a local Church*

***Philippian 4:7, And the peace of God which surpasses all understanding shall keep your heart.....***

For those of you who do attend Church regularly, please pray  
that these letters will be the seeds to grow in the hearts of others

*May your light shine!*
